

USIB-M-165, 25 July 1961, item 6

Possible Merger of COMINT/ELINT
Committees and Selection of Chairman

After discussion, in which each member was asked to express his views, the consensus of the Board was that the COMINT and ELINT Committees should be merged into a single committee.

It was understood that Mr. Dulles and certain members would consult regarding the chairmanship and submit recommendations for consideration at an early Board meeting.
